Valette Wall Light

By Maxim Lighting

Description

Inspired by Williamsburg Revival style from the early 20th century, the Valette Wall Light reinterprets an American classic with a fresh, coastal lens. A graceful arms swoops from a central sphere, supporting a hand-strung bleached rope shade that brings warmth and character. Finished in natural aged brass, the metalwork provides a refined base, with an oversized ball finial crowning the shade for a modern touch. Blending classic Americana and relaxed coastal influence, the Valette feels both familiar and newly relevant.
