Olia Double Wall Light

By Mitzi

Description

Brimming with personality, the Olia Double Wall Light offers a delicate, playful presence. This sconce pairs natural raffia-wrapped arms with patina brass metalwork and tapered off-white linen shades finished with delicate scalloped edges. The combination of texture, tailored details, and soft silhouette gives the piece a soft, timeless charm. Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
