Isabel Table Lamp

By Mitzi

Description

Petite in scale but full of personality, the Isabel offers the charm of a vintage find. The familiar form of a turned wood spindle is recreated in ceramic with an Antique Sabbia glaze, giving the base a warm, artifact-like quality. A slender Patina Brass neck supports a large shade in off-white linen, balancing the tailored base with a bright, soft finish. On/off switch on socket. Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

Shown in patina brass / off white
