Siena Floor Lamp

By Mitzi

Description

The Siena Floor Lamp is delightfully simple with charming vintage references. Echoing Shaker furniture design, the slender base is crafted from a turned white oak spindle accented by a patina brass stem, creating a silhouette that feels playful and contemporary. A tapered white linen shade balances the proportions, while a wood finial at the top carries the material story through. On/off switch on the socket. Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

Shown in patina brass / white

Specifications
