Katherine Table Lamp

By Mitzi

Description

The Katherine Table Lamp mixes classic sensibility with a touch of cottage charm. Its burnished chestnut ceramic base evokes the warm, organic feel of carved wood, while an elongated off-white linen shade with scalloped edges adds a tailored, softened presence. Patina Brass hardware provides a refined finishing touch. Timeless without feeling traditional, Katherine feels elegant and unexpected. On/off switch on cord. Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
