Moleculis Chandelier

By Sonneman

Description

The Moleculis Chandelier transforms a series of shades into an arresting, vertical sculpture. A series of shallow translucent acrylic and metal reflectors float along a slender stem, working together to diffuse and bounce light back from a series of LED up lights, creating a mobile of ambient illumination. Note: Remote transformer does not fit in canopy.

Specifications

COLOR Etched Matte
BODY FINISH Modern Brass
WATTAGE 87W
DIMMER Low Voltage Electronic
DIMENSIONS 36"W x 27"H
INTEGRATED LED MODULE 3 x LED/29W/120-277V LED
