TR44 Floor Lamp

By Tom Rossau

Description

The TR44 Floor Lamp combines elements of two favorites from the Tom Rossau collection with the sculptural quality of the TR7 and the clean elegance of the TR4. The TR44 is crafted from curving strips of birch veneer arranged into an hourglass shape with an open top and bottom to allow light to pass through. With its stylish shape and eye-catching visual texture, TR44 will make a strong statement in any space. Dimmer switch located on cord.
