

BRAND

Hafele America

DESCRIPTION

Micro Mini Switch is used behind cabinet doors when you need an on/off switch, but don't want it to be obvious. Light is automatically turned on when the cabinet door is opened and off again when it is closed. Connection is made to secondary lamp cable through switch and into mounting block. Black plastic body. Dimensions: 1.3 inch width x 1.3 inch height x .6 inch depth. UL listed.
