Copa Wall Light By Besa Lighting

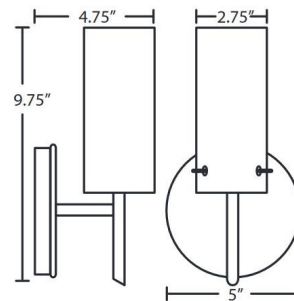

Description

Copa is a timeless cylinder of handcrafted glass that evokes contemporary style. The Opal glass is a soft white cased glass that can suit any classic or modern decor. Opal has a tranquil glow that is pleasing when lit. The smooth satin finish on the clear outer layer is a result of an extensive etching process. This blown glass is handcrafted by a skilled artisan, utilizing century-old techniques passed down from generation to generation.

Shown in satin nickel / opal matte
