Charles Ghost Bar Stool - 2 Pack

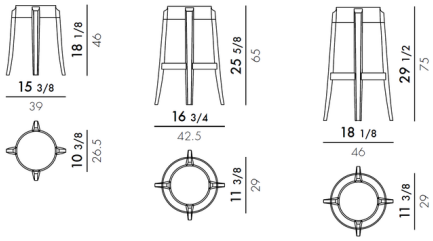

By Kartell

Description

The shape of Charles Ghost Stool conjures up stools of the 1800s with slightly out-turned legs, an icon of the classic design. Charles is constructed from a single block of polycarbonate which makes it indestructible and allows it to survive anywhere. It is just as suited to closed surroundings as it is to open spaces and it embraces every kind of decor and culture.

Shown in transparent crystal clear
