# Ghost Buster Commode

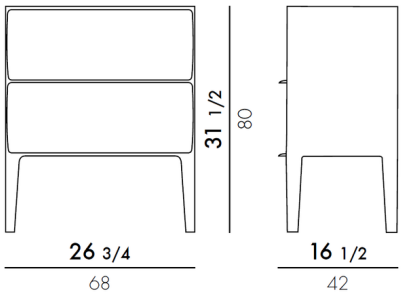

By Kartell

## Description

Ghost Buster Commode is available in Opaque Glossy White, Transparent Clear Crystal or Transparent Smoke Grey. Starck has taken a new look at it and the Kartell style commode evokes the lines of classic furniture while its transparency and plastic material give it a contemporary voice. Corners and curves, straight lines and sinuous play over its surfaces and give life to an intriguing game of eye-catching perspectives and reflections. Ghost Buster with three open front shelves and four bi-facial legs is the largest plastic monobloc ever yet made in the world of furnishings. 26.77 inch width x 31.5 inch height.
