Adorne 120V 20A 4-Way Paddle Switch

By Legrand Adorne

Description

The adorne 120 Volt 20 Amp Paddle Switch combines with other switches or dimmers in 4-way applications, allowing control of a single light source from multiple locations. Fits into an existing electrical box with no wiring required for a typical installation. Pair with a locator light (sold separately) to add illumination. Features Microban antimicrobial technology which helps fight the growth of stain and odor-causing bacteria. Note: Paddle switch must be paired with an adorne screwless wall plate, sold separately.

Shown in magnesium
