Adorne 1-Gang Plus Size Screwless Wall Plate with Microban

By Legrand Adorne

Description

The Adorne 1-Gang Plus Size Plastic Screwless Wall Plate is available with a variety of classic and contemporary colors. They provide the perfect finishing touch to any installation. Innovative screw-less design ensures easy installation by simply snapping into existing metal frame. Perfectly sized to fit three half-size USB outlets, a standard outlet paired with a half-size USB outlet, or some Adorne switches and dimmer switches with a half-size device. You cannot combine the softTap switch, Touch switch, Wave switch, SensaSwitch, all dimmers, GFCI outlet, portable nightlight/flashlight with half-size devices to fit in a 1-gang+. The wall plate is available with a graphite back or a white back. Features Microban antimicrobial technology which helps fight the growth of stain and odor-causing bacteria. NOTE: Designed to be paired with Adorne switches, dimmers and outlets, sold separately.
