Galahad Chandelier By Currey and Company

Description

The Galahad Chandelier has recycled glass and recast glass discs that are individually attached by hand to hang from its immense wrought iron frame. The size of this chandelier with its intermingling of discs is impressive, as are the reflected hues that glint through the circlets that make up the shade. Place in an area where statement lighting is most needed. Finished in Bronze with Clear Discs or Contemporary silver with Blue discs. Canopy diameter 6 inches. Includes 96 inch chain.

Shown in bronze / clear
