Sferis Pendant

By Ai Lati Lights

Description

The Sferis Pendant is a classic globe of blown triplex Opal glass with a Chrome or White finish. Triplex glass, a specialty of Ai Lati, is a three-ply cased Opal glass made up of a thin white layer that is inside two layers of clear glass. This helps optimize the lumen output and creates a uniform light. The Sferis Pendant provides direct diffused ambient illumination.

Shown in chrome / opal
