Gaines Pendant

By Hudson Valley Lighting

Description

Make a bold statement with the Gaines Pendant, a striking fixture that fearlessly applies industrial details to create an unforgettable design. This pendant showcases strong elements like studded rivets, captivating perforated metal, and powerful heavy extrusions, ensuring it becomes a commanding focal point in any room. It comes with a White diffuser to soften its robust form, providing a beautifully even and inviting light. Available in three versatile sizes, the Gaines Pendant is perfect for adding distinctive ambient or task lighting over kitchen islands, creating a dramatic centerpiece above dining tables, or bringing an edgy yet refined touch to living areas and entryways. Rated for damp locations, its robust character makes it a versatile addition to both contemporary and transitional decors seeking a unique blend of rugged charm and sophisticated illumination.
