Gaines Picture Light By Hudson Valley Lighting

Description

Illuminate your cherished artwork with the distinctive flair of the Gaines Picture Light, a fixture designed to captivate. This picture light showcases bold industrial details, including striking studded rivets, intriguing perforated metal, and robust heavy extrusions, ensuring your treasured pieces are highlighted by a truly unique source of light. The Gaines Picture Light is an excellent choice for casting precise accent illumination on paintings, photographs, maps, or display cabinets in a gallery, living room, study, or hallway. Its blend of raw industrial charm and focused functionality makes it a standout piece, seamlessly integrating into both contemporary and transitional spaces that appreciate a strong design statement. Note: This fixture is designed to be mounted on a 2 inch x 4 inch switch box and will not cover a standard 4 inch octagonal junction box.
