Taj Table Lamp

SPEC #   KRL192459

DESIGNER   Ferruccio Laviani
BRAND   Kartell

DESCRIPTION

Taj Table Lamp is available in a Matte Black, Matte White, Transparent Crystal or Satin Frozen finish. Taj is more than a lamp, it is a three dimensional sign, a luminous sculpture, a presence as much at home on your desk as on another piece of furniture. Although it is a table lamp, Taj abandons the articulated, jointed and mechanical stereotype for a simple form serving the practical function for which it is intended. Beautiful both either on or off, Taj uses LED technology to optimize and minimize the light source as much as possible and at the same time it is a new step forward in meeting the corporate technical challenge by producing an object from unique know-how.
