Kaye Wall / Ceiling Fan

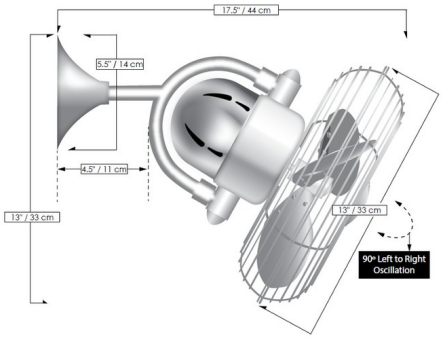

By Matthews Fan Company

Description

The Atlas Fan Kaye Wall/Ceiling Fan is available in a variety of finishes with hand-balanced metal blades and metal safety cages. Reminiscent of train cabin fans of yester-year, Kaye will cool down your favorite space with poise and determination. Oscillation of 90 degrees allows air flow in any direction. Kaye's profile is low, however its strength and character define it. Includes a 3 speed Decora-style wall control in White and side-mounted wall junction box. Limited lifetime warranty. Optional remote control sold separately.
