Framing Projector Accessory

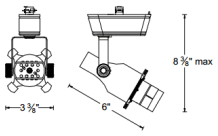

By WAC Lighting

Description

Framing Projector track luminaire accessory attaches to the end of the track head to create a square or rectangular light area to illuminate artwork or displays. Available in abrasion resistant powder coat paint Black, White or Dark Bronze finish. Features steel lens snoot, metal shims with plastic end caps, and glass focusing lens. Frames a crisp edge with no light spill. Gives artwork a self-illuminating appearance. Best effect is achieved with low level ambient light and distances less than 10 feet. UL listed. 5 year product warranty. For use with WAC brand 007, 896, LED810 and LED820 track series heads.
