Amphora Outdoor Plug-in Floor Lamp

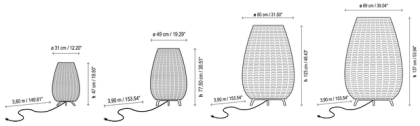

By Bover

Description

The Amphora Outdoor Plug-in Floor Lamp features a handwoven shade that is a subtle, tasteful tribute to the terracotta amphora vases used in gardens and terraces throughout the Mediterranean. The shade, made of recyclable, non-toxic synthetic polyethylene fiber, is combined with a UV-resistant polyethylene globe diffuser for a waterproof design that makes this the perfect lighting source for outdoor areas. This versatile lamp can be placed indoors or outdoors to provide a warm, ambient glow that highlights any occasion. This lamp does not have a switch. Available in four heights: 18.5 inches (Amphora), 30.51 inches (Amphora 01), 48.43 inches (Amphora 02) and 53.94 inches (Amphora 03). The 18.5 inch lamp has an integrated LED module, and the other sizes require two E26 medium base bulbs which are not included.

Shown in brown / rattan brown
