Cloudy Ceiling Light

By Fabbian

Description

Cloudy was created using extremely complex steel molds which have given it an almost magical lightness, like a glass cloud floating in the air. When switched on, Cloudy reveals all its luminosity and evokes the feeling of sunlight after the rain. Originally conceived as an art piece, the initial concept to turn Cloudy into a production element required the creation of the complex mold design unlike any other used in glass blowing.

Shown in white / white / clear

Specifications

COLOR White / Clear
BODY FINISH White
WATTAGE 8.5W
DIMMER Low Voltage Electronic
DIMENSIONS 10.2"W x 7.8"H
INTEGRATED LED MODULE 1 x LED/8.5W/120V LED

Technical Information

COLOR RENDERING 80 CRI
LAMP COLOR 3000K
LUMENS/WATT 94.12
LUMINOUS FLUX 800 lumens
