Folio Ceiling Flush Mount

By Foscarini

Description

Folio Flush Mount is available in a Satin White finish glass. Designed by the founders of Foscarini in the first years of the company's life, Folio pays homage to the simplicity of the small gestures that make a lighting design decorative. This lamp evokes a sheet of paper being stretched. Two corners bend slightly towards ceiling with a movement just hinted at but enough to give volume to the two dimensional shape of a sheet of paper.One 100 watt, 120 volt T3 type RSC base Halogen lamp is required but not included. 18.875 inch width x 15 inch height. UL Listed.

Shown in satin / white
