Drylight Outdoor Floor Lamp

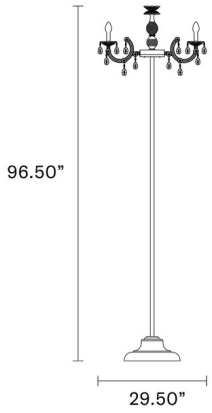

By Masiero

Description

Glamour, inspired by Venetian tradition, allows one to be seduced by the stupendous atmosphere of the Drylight floor lamp. The chandelier arms on the Drylight floor lamp are offered with crystal pendants and prisms (for indoor use) or with methacrylate pendants and prisms (for portable outdoor use) in special plastic material derived from the automotive industry, characterized by its extreme robustness and resistance to atmospheric agents. The methacrylate compound does not turn yellow or crystallize, even if subjected to high temperatures and continuous exposure to sunlight. The center piece on the other hand, is made from a special glass fiber-filled nylon-based plastic solution, which is elastic and at the same time particularly resistant to general and mechanical stress. The metal components have been subjected to specific galvanization and the lamp covers have been made from borosilicate. Note: Includes non-dimmable LED driver and battery with 10 hour charge, 5 hours to re-charge.

Shown in matte black / methacrylate

Specifications

COLOR	Methacrylate
BODY FINISH	Matte Black
WATTAGE	13W
DIMMER	N/A
DIMENSIONS	29.5"W x 96.5"H
INTEGRATED LED MODULE	6 x LED/2.17W/120V LED

Technical Information

LAMP COLOR	3000K
LUMENS/WATT	737.33
LUMINOUS FLUX	1600 lumens
