**DESCRIPTION**

Pie In The Sky Flush Mount is available in a Satin Nickel finish with an Amber and Amethyst or Amber and Red. The Italian glass technique of incalmo, increasingly hard to accomplish in this mechanized world, allows this round shape to be banded with clean, crisp lines. This is truly a marriage of function and beauty. Mouth blown in Venice, Italy. No two shades are exactly alike. There will always be variations, which are typical of a handmade product and contribute to its beauty. Three 30 watt, 120 volt CF type Medium base Compact Fluorescent lamps are required but not included. 18 inch width x 5.25 inch height. UL Listed.
