TUL1 Aluminum Pathlyte with Stake By Hadco by Signify

Description

TUL1 Aluminum Pathlyte with S7 Stake is fabricated from a single piece cast aluminum with stem in extruded aluminum. .50 inch NPS male threads to screw onto mounting stake (included) or junction box (sold separately). Optional junction boxes available, but not required with low voltage fixtures. Thermoset polyester powdercoat finish in Verde. One 12 volt S8 single contact bayonet base lamp (27W max) included with fixture. Pre-wired with 3 foot pigtail of 18-2 AWG wire. Includes low voltage quick connector LVC3 for easy hook up to the low voltage supply cable, not included. Note: Requires low voltage remote transformer, sold separately.
