Calumet 4W 24 Deg Outdoor Ceiling Light By Artemide

Description

Add subtle yet precise illumination to your outdoor overheads with the Calumet 4W 24 Deg Outdoor Ceiling Light. This compact and durable fixture features a sleek cylindrical body with a reinforced glass diffuser and watertight silicone gaskets, ensuring robust performance in any outdoor setting. To guarantee longevity, it's treated with a comprehensive 3-stage outdoor treatment: Nanotechnologies, antioxidant primer, and polyester paint. Crafted from die-cast aluminum with a choice of a clean Grey White or a deep Anthracite Grey finish, it blends seamlessly with modern exteriors. Equipped with PMMA lenses with a focused beam angle, the direction of the light can be adjusted to achieve your desired lighting effect from the ceiling. An integrated LED light source provides efficient illumination, with a choice of warm or cool color temperatures. UL Listed and IP65 rated, this fixture is suitable for wet locations, making it an ideal choice for enhancing architectural features, small entryways, or covered outdoor spaces with a precise and discreet glow. The Calumet Ceiling Light offers both architectural precision and contemporary minimalism for demanding outdoor applications.
