Reeds Outdoor Floor Lamp By Artemide

Description

The Reeds Outdoor Floor Lamp is an enchanting luminaire that transforms exterior spaces into serene, illuminated landscapes. This unique fixture features high-performance monochromatic LED modules that diffuse light through a collection of PMMA rods of differing heights, creating the captivating impression of a swaying grove of illuminated reeds.Its robust base is cleverly constructed with a transparent polycarbonate casing nestled between two sturdy stainless steel plates, providing both stability and a subtle glow. A meticulous silicone gasket ensures the fixture is watertight, ready to brave the elements. For added security, the fixture can be fastened to the ground to prevent tipping, even during high winds. The top is finished with a durable technopolymer aesthetic cover in Anthracite Grey. An integrated ballast is included for seamless operation. Available in two sizes and boasting an IP67 rating, the Reeds Outdoor Floor Lamp is suitable for even the wettest locations, making it a versatile and artistic choice for both outdoor and indoor environments.
