Glo-Ball W Wall Light

By FLOS

Description

Illuminate your walls with the pure, spherical elegance of the Flos Glo-Ball W Wall Light, another exquisite design by Jasper Morrison. Part of the beloved Glo-Ball series, this wall sconce projects the radiant calm of a full moon, bringing a tranquil and sophisticated glow to your interiors. It features an externally acid-etched, hand-blown, flashed opaline glass diffuser, which allows the light to spread beautifully in all directions while mounted flush to the wall. Its minimalist form and superior craftsmanship make it a versatile choice for a multitude of contemporary and transitional spaces. Perfectly suited in hallways, bathrooms, living room accents, or any space needing a soft, ambient wall light.Jasper Morrison Aesthetic: A signature design that embodies inchsupernormal inch elegance and functionality.Uniform Light Distribution: The hand-blown glass ensures a soft, even, and ambient light.Space-Saving Design: Its flush-mount profile makes it ideal for hallways, bathrooms, or any area where space is a consideration.Made in Italy: A symbol of exceptional quality and timeless design.
