DESCRIPTION

The Mosso Pro Desk Lamp with USB Port is available in Silver, Metallic Black or White finish. Environmentally friendly using fully recyclable aluminum, water-based paint, FSC certified packaging, non-mercury containing LEDs and LEED credit eligibility. Built in occupancy sensor, and continuous dimming. One 5.5 watt 120 volt LED module is included. Tunable white technology. Touch the lens to change the light from warm (2700K) to cool (5000K). Fully 360 degree lateral rotating head, 180 degree horizontal rotating head, 180 degree rotating arms and standard 90 degree rotating base. Mounting options include standard table base, Qi wireless charging base, grommet mount, through-table mount, two-piece table clamp, desk clamp, power base with AC outlet and USB port, hardwired wall mount, standard wall mount, or slatwall mount. UL listed.
