Altrove 600 Direct / Indirect Suspension

By Artemide

Description

The Altrove 600 Direct / Indirect Suspension is a striking luminaire designed to provide expansive, diffused illumination, creating a luminous boundary in any space. This cable-suspended fixture features a distinctive perimeter of mirror aluminum, which reflects its surroundings, adding depth and intrigue to its presence. Functionality meets artistry with its dual lateral diffusers, crafted from satin-finished prism optic, ensuring a soft and even distribution of light. An intricately engraved methacrylate lens further enhances the diffused light output, minimizing glare and creating a comfortable ambient glow. An efficient LED module is included, providing powerful yet harmonious light for large areas. The Altrove Suspension is an ideal choice for grand living rooms, dining spaces, or open-plan offices, where its minimalist design and comprehensive illumination create a refined and inviting atmosphere.
