Ilio Floor Lamp

By Artemide

Description

The Ilio Floor Lamp is the epitome of minimalist design, delivering dramatic indirect lighting with a sleek, unobtrusive presence. This striking cylindrical silhouette is meticulously constructed from high-quality aluminum and steel, ensuring both durability and a refined aesthetic that blends seamlessly into modern spaces.Its sophisticated design directs light from an integrated LED source powerfully upwards, creating a captivating wash of light on your ceiling. This indirect illumination not only provides a beautiful ambient glow but also significantly reduces glare, enhancing visual comfort throughout the room.A convenient dimmer switch is strategically located on the lamp's body, allowing for effortless control over the light intensity, enabling you to create the perfect atmosphere for any occasion. Please note that the warm 2700K color temperature is exclusively available in the classic Black finish, offering tailored options for your desired aesthetic. The Ilio Floor Lamp is an ideal choice for ambient lighting in living rooms, dining areas, or grand entryways, where a powerful yet subtle light source is desired.
