Lesbo Table Lamp

By Artemide

Description

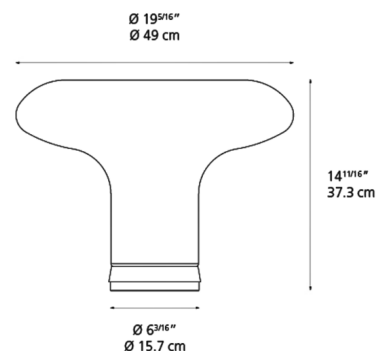

The Lesbo Table Lamp is a captivating piece of art, producing a wonderfully diffused glow that emanates from its unique, organic form. This exquisite lamp features both its body and diffuser crafted from delicate frosted Murano glass, a testament to artisanal skill and timeless beauty. The lamp stands elegantly on a sleek polished aluminum base, providing a subtle contrast to the soft texture of the glass. Lesbo's distinctive, rounded shape ensures that light is beautifully diffused from its base, creating an enchanting radiant effect, while also directing a gentle upward light to contribute to the overall ambient illumination of the room. A convenient on/off switch is located on the cord for easy operation. The Lesbo Table Lamp is an ideal choice for adding a touch of artistic elegance and a warm, diffused glow to living room side tables, bedrooms, or any space where a sculptural light source is desired to create a calming and inviting atmosphere.
