Tolomeo Mega LED Floor Lamp By Artemide

Description

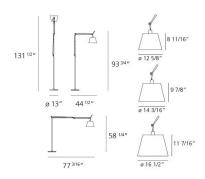

The Tolomeo Mega LED Floor Lamp offers grand scale and legendary adjustability, creating a commanding yet graceful presence in any large living or working space. This iconic fixture features a fully adjustable, articulated arm structure crafted from resilient extruded aluminum, embodying the renowned precision and flexibility of the Tolomeo series.Its sophisticated design includes joints and tension control knobs made from polished die-cast aluminum, with sturdy stainless steel tension cables ensuring smooth, stable movement. The lamp is available in a sleek aluminum finish with a choice of a bold Black, warm Parchment, or elegant Grey Fiber shade, or a striking Black finish with a Black shade, allowing for versatile aesthetic integration.An integrated LED module provides powerful and efficient illumination. The shade is offered in three sizes, allowing for tailored scale. A convenient dimmer and on/off switch are located on the cord, providing effortless control. The Tolomeo Mega Floor Lamp is an ideal choice for illuminating grand living rooms, large office spaces, or expansive dining areas with an iconic design and superior, adaptable light.
