## Fontana Glass Table Lamp

By Fontana Arte

### Description

A lighting icon designed in 1954, the Fontana 1853 Table Lamp offers an intriguing take on a classic silhouette, composed of a round body that tapers slightly upward and topped with a classic cone shade. What makes this lamp unique is its multiple light sources contained in both the base and the lampshade, allowing it to satisfy different lighting needs. Base and shade light sources are separately controlled by an on/off switch on cord.
