Francesca Wall Sconce

By Catellani & Smith

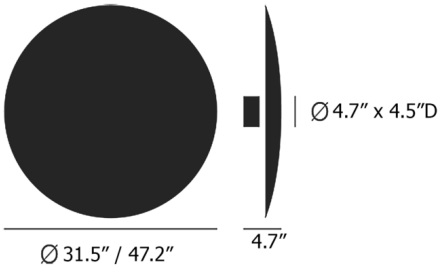

CE

Description

The Francesca Wall Sconce consists of a fiberglass diffuser disk that surrounds the light source. The light is directed backwards to the wall to create a halo effect where the disc appears to float in mid-air. With its large scale and minimalist design, Francesca will make a bold statement in a contemporary interior. Available in White with Gold backing, Copper Leaf, Silver Leaf, or Gold Leaf.

Shown in white / gold
