Hatteras Bay Rail Light

By Kichler

Description

The Hatteras Bay Rail Light features a classic style that works well in vintage industrial and transitional settings. With 90 degree vertical rotation and 330 degree horizontal rotation, each light can be focused exactly where needed, perfect for providing accent lighting or task lighting in specific areas. All metal surfaces have galvanized undercoatings and water-resistant finishes, suitable for high humidity environments such as enclosed porches and bathrooms. This fixture can be installed on the wall or ceiling.

Shown in polished nickel / polished nickel
