Logico Mini Pendant

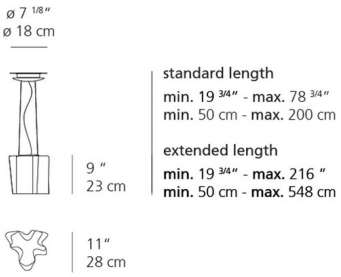

By Artemide

Description

Inspired by the ethereal beauty of rays of light filtering through the atmosphere, the Logico Mini Pendant offers a captivating and intimate lighting experience. While the original description mentioned Aluminum, Glass as materials, the core essence of the Logico series is its signature hand-blown glass diffuser, creating the soft, diffused glow it's celebrated for. This elegant pendant, likely featuring a hand-blown glass diffuser and an aluminum canopy, brings a delicate touch of contemporary design to any space. Available in two convenient cable lengths, it adapts effortlessly to your specific lighting needs. The 7-inch diameter canopy ensures a clean, integrated look against your ceiling. Crafted with precision in Italy, the Logico Mini Pendant is lauded by customers for its charming presence and perfect ambient light. It's an ideal choice for creating focused illumination over kitchen islands, in reading nooks, or as accent lighting in hallways, offering both aesthetic grace and functional brilliance. Embrace the subtle artistry of light with this exquisite Italian-designed fixture.
