Juno Lighting

DESCRIPTION

T313 PAR20 Flat Back Cylinder Track Fixture features a simple, sleek design that remains a very popular track light design. Deep lamp shielding reduces glare. Drawn steel housing with polycarbonate stem. Features 90 degree vertical aiming capability and 358 degree rotation. Finish available in Black with a black baffle or White with a white baffle. One 35-50 watt PAR20 or 27-50 watt R20, 120 volt intermediate base bulb is required, but not included. Incandescent/halogen bulb option dimmable with a standard incandescent dimmer. Consult with bulb manufacturer for dimmer compatibility when using LED option. Optional optical accessories available, sold separately. UL listed. Compatible with Juno Lighting Trac-Lites 1-circuit and Trac-Master 1-circuit and 2-circuit 120 volt line voltage track systems.

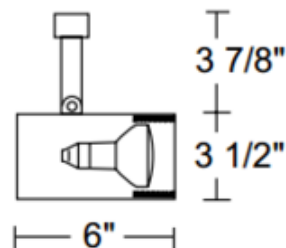

Shown in: White/ White Baffle
