Logico Mini Single Wall Sconce

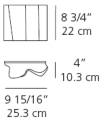

By Artemide

Description

Bring the delicate artistry of light to more intimate spaces with the Logico Mini Single Wall Sconce. This charming fixture features a hand-blown, organically shaped satin glass diffuser that seems to defy gravity, casting a soft, ethereal light that enhances the ambiance of any room. Presented in a pristine Milky White, the glass is elegantly framed by a die-cast support in a pale Grey finish, ensuring a seamless and refined integration with your wall. The Logico Mini Single Wall Sconce is UL listed for safety, proudly made in Italy signifying exceptional quality, and notably ADA compliant, making it an excellent choice for a wide range of applications, including commercial and residential spaces with accessibility considerations. Customers love its compact yet impactful design and gentle, diffused illumination. Ideal for hallways, bathrooms, beside mirrors, or in cozy nooks, this sconce embodies an architectural and contemporary aesthetic, proving that even smaller fixtures can make a significant design statement while delivering beautiful, diffused light.
