Logico Triple Linear Suspension By Artemide

Description

Make a grand and sophisticated statement with the Logico Triple Linear Suspension, an extraordinary lighting fixture that combines sculptural beauty with powerful illumination. This impressive suspension light features three hand-blown, organically shaped satin glass diffusers arranged in a striking linear configuration, creating a captivating visual effect where the glass seems to float weightlessly. Available in enigmatic Smoke Grey or pure Milky White, these diffusers are supported by a robust yet elegantly designed die-cast frame and suspended by sleek stainless steel cables, ensuring both stability and a minimalist aesthetic. Crafted with precision in Italy, the Logico Triple Linear Suspension is a masterpiece of design and engineering. Customers are consistently captivated by its dramatic impact and stunning architectural quality, making it a focal point in any space. Ideal for illuminating long dining tables, kitchen islands, or grand entryways, this fixture embodies architectural, contemporary, and glamorous styles, casting a wide, diffused glow that enhances the entire environment. Elevate your interior to new heights of style and light with this iconic Italian design.
