Logico Triple Nested Ceiling Light

By Artemide

Description

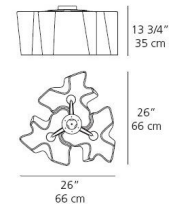

Transform your ceiling into a captivating display of diffused light with the Logico Triple Nested Ceiling Mount. This extraordinary fixture showcases three hand-blown, organically shaped satin glass diffusers that appear to float effortlessly, creating a mesmerizing visual dynamic in your space. While the original description doesn't specify color, the Logico series typically offers these in Milky White or Smoke Grey, both providing a beautiful, soft glow. This flush-mount design is perfect for areas where you want the expansive effect of a suspension light without the vertical projection, making it ideal for rooms with lower ceilings or high-traffic areas. Proudly made in Italy, the Logico Triple Nested Ceiling Light is a testament to superior craftsmanship and innovative design. Customers consistently praise its stunning sculptural form and ambient, shadow-free illumination, making it a sought-after piece for discerning homeowners and designers alike. Perfect for living rooms, dining areas, or grand entryways, this contemporary ceiling light creates a warm and inviting atmosphere, enhancing both the aesthetic and functional lighting of your home.
