Logico Triple Linear Ceiling Light

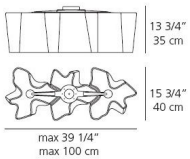

By Artemide

Description

Introduce a striking linear element of light into your contemporary interior with the Logico Triple Linear Ceiling Mount. This sophisticated fixture features three hand-blown, organically shaped satin glass diffusers arranged in a captivating linear formation, creating the illusion that light itself is floating gracefully across your ceiling. The Logico series is renowned for its Milky White or Smoke Grey diffusers, offering beautifully diffused light. This design is exceptionally versatile, making it ideal for illuminating long spaces or defining distinct zones within an open-concept layout. UL listed for safety and meticulously crafted in Italy, this ceiling light represents the pinnacle of quality and modern design. Customers frequently commend its sleek, architectural look and even light distribution that can brighten a significant area. Whether installed above a kitchen island, a dining table, or in a spacious hallway, the Logico Triple Linear Ceiling Light provides a contemporary and impactful lighting solution that is both visually stunning and highly functional.
