Logico Micro Single Ceiling Mount

By Artemide

Description

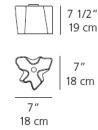

Introduce a touch of delicate artistry to your ceiling with the Logico Micro Single Ceiling Mount. This charming fixture features a hand-blown, organically shaped satin glass diffuser that creates a mesmerizing illusion, appearing to float weightlessly and casting a beautiful, diffused light. Available in timeless Milky White, the glass is elegantly framed by a die-cast aluminum frame with a pale grey finish, ensuring a seamless and refined integration with your ceiling. The Logico Micro Single is incredibly versatile, designed for applications as a single unit to create an intimate pool of light, or as part of a larger assembly of three units in a nested or linear configuration for a more expansive design. UL listed for safety and proudly made in Italy, this fixture reflects exceptional craftsmanship. Customers appreciate its subtle elegance and perfect size for small spaces or accent lighting. Ideal for hallways, bathrooms, or creating a series of individual light points in a larger room, this contemporary ceiling mount offers both aesthetic grace and functional brilliance.
