Logico Micro Triple Linear Ceiling Light

By Artemide

Description

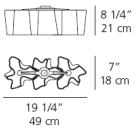

Define your space with modern elegance using the Logico Micro Triple Linear Ceiling Mount. This sophisticated fixture features three hand-blown, organically shaped satin glass diffusers arranged in a striking linear formation, creating a captivating visual that appears to float across your ceiling. Available in timeless Milky White, the diffusers are beautifully supported by a die-cast aluminum frame with a pale grey finish, providing a sleek and cohesive look. This ceiling mount is designed for diffused light distribution, ensuring a soft, even glow that enhances any atmosphere. Like other Logico Micro pieces, it's incredibly versatile, perfect as a singular impactful fixture or as part of a larger assembly of three units in a nested or linear configuration. UL listed for safety and proudly made in Italy, this light embodies superior craftsmanship. Customers praise its clean lines and effective illumination for smaller spaces or specific zones. Ideal for hallways, kitchen islands, or as an accent in larger rooms, the Logico Micro Triple Linear Ceiling Light delivers a distinctive contemporary touch.
