Logico Micro Triple Linear Suspension

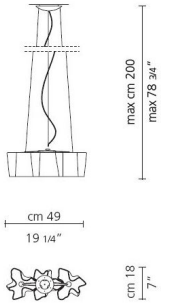

By Artemide

Description

Experience the delicate dance of light with the Logico Micro Triple Linear Suspension, a refined fixture that brings sculptural beauty to your overhead illumination. This exquisite suspension light features three hand-blown glass diffusers with a satined crystal finish, meticulously crafted to produce a beautifully diffused light that enchants any space. The diffusers are gracefully supported by a die-cast aluminum frame in a pale grey finish, ensuring a sleek and modern aesthetic, while stainless steel supporting cables provide secure and elegant suspension. The 7-inch diameter canopy ensures a clean, integrated installation. Providing diffused light distribution, this fixture casts a soft, ambient glow perfect for creating an inviting atmosphere. UL listed for safety and proudly made in Italy, the Logico Micro Triple Linear Suspension reflects the highest standards of quality and design. Customers are consistently impressed by its airy presence and beautifully balanced light. Perfect for illuminating kitchen islands, smaller dining tables, or creating a linear lighting effect in a contemporary living space, this fixture offers a sophisticated and artistic touch.
