Logico Mini Triple Linear Ceiling Light

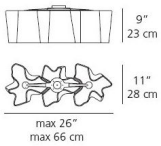

By Artemide

Description

Transform your ceiling into a refined statement of contemporary design with the Logico Mini Triple Linear Ceiling Mount. This exquisite fixture features three hand-blown, organically shaped satin glass diffusers arranged in a striking linear formation, creating the illusion that light itself is gracefully floating across your space. Available with a crisp Milky White diffuser and framed by a sophisticated die-cast aluminum structure in a pale grey finish, this light offers a seamless blend of art and illumination. Designed for a sleek, integrated look, it provides diffused light distribution, casting a soft, even glow that enhances any modern interior. Proudly made in Italy, the Logico Mini Triple Linear Ceiling Light is a testament to superior craftsmanship and enduring style. Customers consistently praise its clean, minimalist aesthetic and beautiful ambient light. Ideal for illuminating kitchen islands, dining tables, or hallways, this contemporary ceiling mount offers an impactful yet understated lighting solution, perfect for creating an inviting and well-lit environment.
