Logico Mini Triple Linear Suspension By Artemide

Description

Elevate your space with the Logico Mini Triple Linear Suspension, a captivating fixture that marries sculptural form with unparalleled luminosity. This stunning pendant boasts three hand-blown, organically shaped satin glass diffusers arranged in a sleek linear design, creating a mesmerizing visual where light appears to float weightlessly. Choose between the understated elegance of Grey Smoke or the timeless purity of Milky White diffusers, both beautifully complemented by a die-cast aluminum frame in a pale grey finish. Suspended by slender stainless steel cables, this light embodies a perfect blend of modern sophistication and glamorous contemporary appeal. Made in Italy, the Logico Mini Triple Linear Suspension is a testament to superior design and meticulous craftsmanship. Customers rave about its dramatic visual impact and stunning diffused light, noting how it becomes an instant focal point. Perfect for illuminating dining tables, kitchen islands, or adding a linear design element to large living areas, this suspension light offers both artistic expression and exceptional functionality.
