Melampo Table Lamp

By Artemide

Description

Introduce a blend of classic elegance and adaptive functionality to your home with the Melampo Table Lamp. This beautifully designed fixture features a sturdy painted zamac base and a slender painted aluminum stem, providing a stable and refined foundation. Its signature element is the exquisite silk satin fabric shade on a durable plastic frame, which exudes a warm, inviting glow. Available with either a sleek Grey or a rich Bronze finish, each with a matching shade, the Melampo seamlessly blends with diverse decor palettes. The true brilliance of this lamp lies in its adjustable diffuser, allowing you to effortlessly pivot the shade for either direct or indirect lighting, adapting to your specific needs whether you're reading, working, or simply seeking ambient illumination. A convenient on/off switch is located on the cord for easy access. The Mini size (9-inch width x 15.75-inch height) requires one 60-watt max 120-volt B10 candelabra base bulb (not included), while the Regular size (13.75-inch diameter x 23-inch height) requires two 75-watt max 120-volt A19 medium base bulbs (not included). Both are UL listed for safety. Customers frequently commend its versatile light control and luxurious fabric shade, making it a beloved choice for living rooms, bedrooms, and offices seeking contemporary charm with adaptable lighting.
