Logico Micro Single Wall Sconce

By Artemide

Description

Infuse your walls with a subtle yet impactful glow with the Logico Micro Single Wall Sconce. This charming fixture features a hand-blown, organically shaped satin glass diffuser that creates a mesmerizing illusion, appearing to float effortlessly and casting a soft, inviting light. Available in pristine Milky White, the glass is elegantly framed by a die-cast support in a pale Grey finish, ensuring a seamless and refined integration with your wall. The Logico Micro Single Wall Sconce is notably ADA Compliant and UL listed for safety, making it an excellent choice for a wide range of applications, including residential and commercial spaces with accessibility considerations. Proudly made in Italy, this sconce reflects exceptional craftsmanship and enduring design. Customers love its compact size and powerful impact and gentle, diffused illumination. Ideal for hallways, bathrooms, beside mirrors, or in cozy nooks, this contemporary sconce proves that even smaller fixtures can make a significant design statement while delivering beautiful, ambient light.
